

A Windward Community College Common Book Event

Why is Health Care Getting More Expensive?

with Paul Briggs

October 29

12:30 p.m. in Hale 'Ākoakoa 107/109

Windward Community College

Windward Community College's Common Book Program presents *Why is Health Care Getting More Expensive?* WCC Assistant Professor of Economics Paul Briggs will discuss health care costs from an economist's perspective.

The Fall 2009 Common Book selection is *Freakonomics: A Rogue Economist Explores the Hidden Side of Everything*, written by Steven Levitt and Stephen Dubner.

For more information, contact Common Book Program coordinator Brian Richardson at 236-9245 or E-mail richards@hawaii.edu.
