

Aloha!

We cordially invite you to participate in one of the largest Windward community events: the 8th annual Windward Ho'olaule'a. Slated for Saturday, September 27, 2008 on the Great Lawn of the Windward Community College campus in Kaneohe, the event is expected to draw more than 20,000 people for a fun-filled day for the entire family.

At the event, we will provide an area for elected officials and candidates running for Windward district offices, and the 2nd Congressional district. A \$400 vendor fee will enable you to:

1. Have a 10 x 10-foot space in which you may erect your own tent. (Please bring your own table and chairs. If you plan to stay into the evening, please bring lights and extension cords and let us know if you will need electricity.)
2. Hand out political material from your booth area and talk with members of the community.

Planned by a grassroots committee, with the help of Windward Community College, the Kane'ohe Business Group, and a large corps of volunteers from Waimanalo to Lai'e-- our goal is to showcase Windward O'ahu and the educational opportunities available at the college, as well as celebrate all we have to offer as a community.

The deadline to apply for a vendor space is **September 5, 2008**. If you choose to not apply for a space, we do appreciate any level of support and will publicly acknowledge your personal donation on the day of the event.

Should you have any questions, feel free to call Shirley Hasenyager at Ph: 262-5069. If you would like to participate, please return the form below with your payment by **September 5, 2008** to:
